The children stood on the beach in the fog. They could see the creature moving towards them. What is that? said klaus. violet replied I don't know, but it has a big head and is moving towards us! sunny the infant squealed gark! There is nobody here on the beach, we are alone klaus quivered. quick, pick up a pebble hurried violet. klaus replied I think we should run! The creature was close. Children... whispered the voice chillingly don't move...
