Circle all even multiples greater than 20 in both lists.

Which odd multiple below 20 is a two digit number.

What can you tell me about this number?

Fireworks

Emma had some fireworks.
Some made 3 stars.
Some made 4 stars.

Altogether Emma's fireworks made 19 stars.
How many of them made 3 stars?
Find two different answers.

What if Emma's fireworks made 25 stars?

What do you know?

How many different fireworks does she have?

How many stars does Emma want?

Did she set off 10 fireworks? Why not?
How many stars would that be?
