

Words in Spelling Groups

Someone has sorted the following words into 2 groups. Thinking of spelling rules, how have they sorted them?

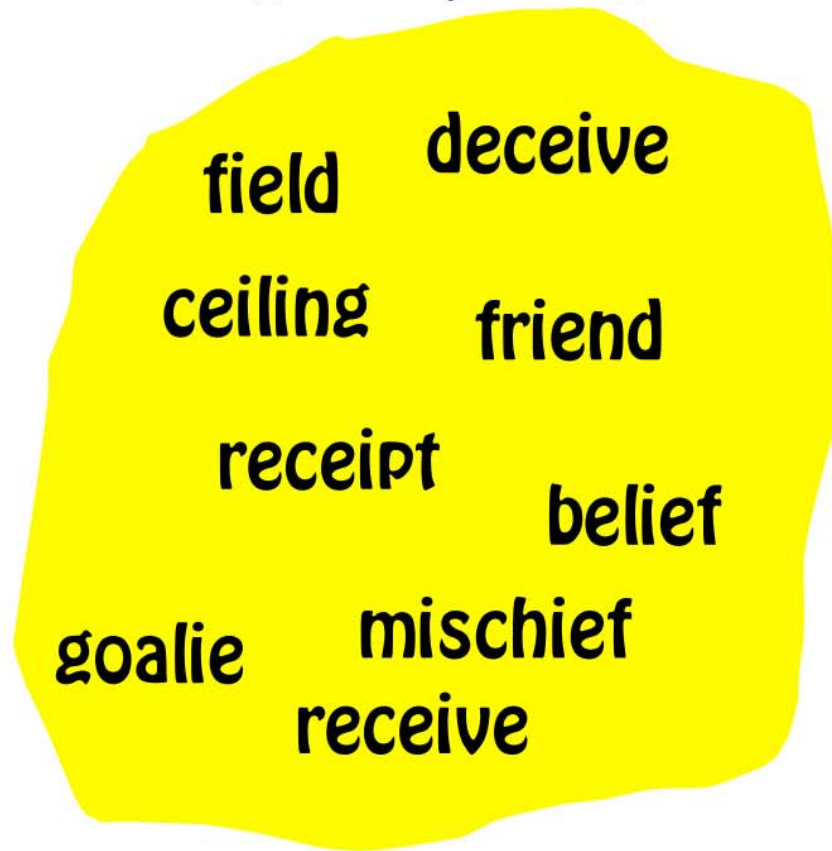

Answer

Answer

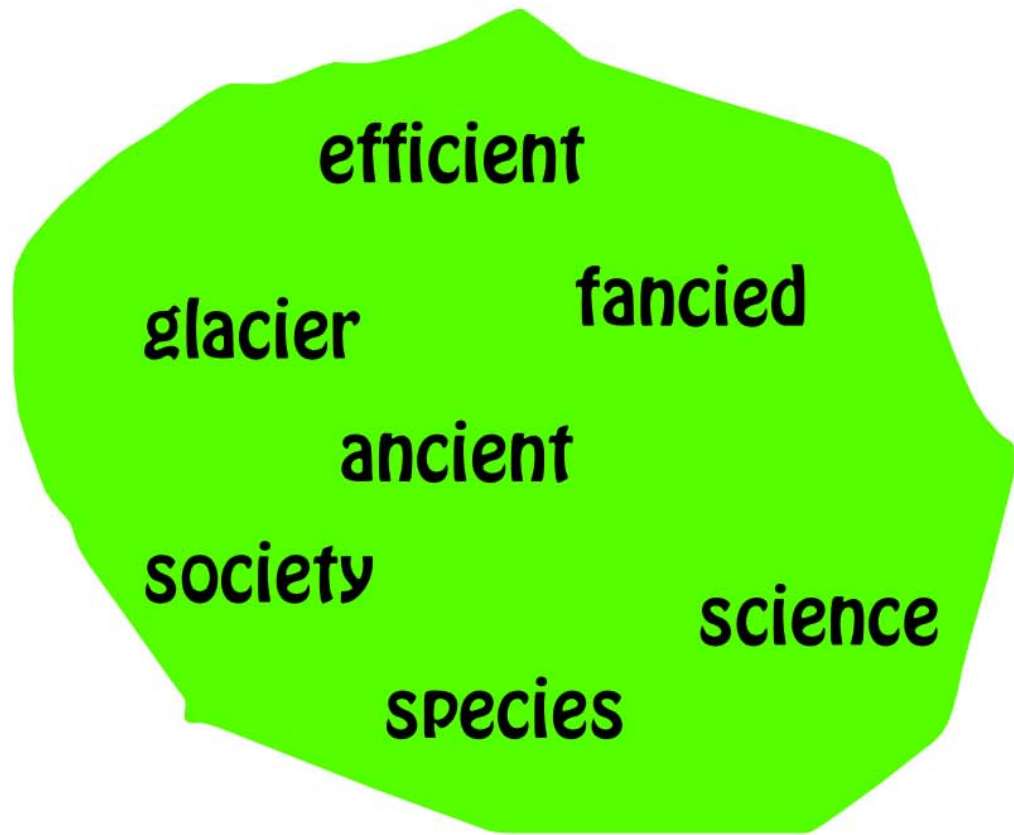

Words in Spelling Groups

Someone has sorted the following words into 2 groups. Thinking of spelling rules, how have they sorted them?

This is the 'i before e, except after c' rule

These are exceptions to the rule

Answer

Answer

Words in Spelling Groups

Someone has sorted the following words into 2 groups. Thinking of spelling rules, how have they sorted them?

All of these words have silent consonants

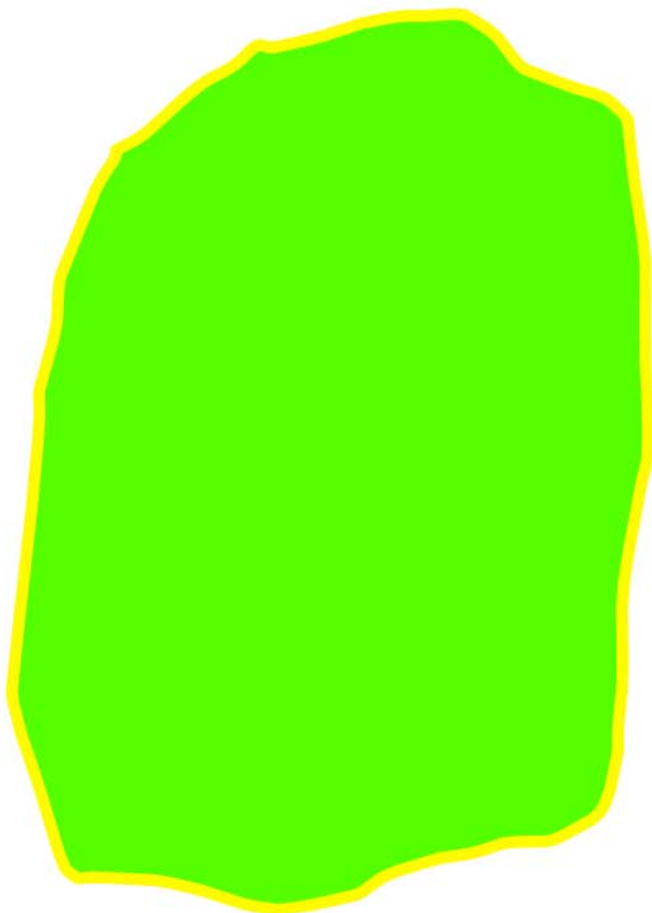

All of the letters in these words are pronounced

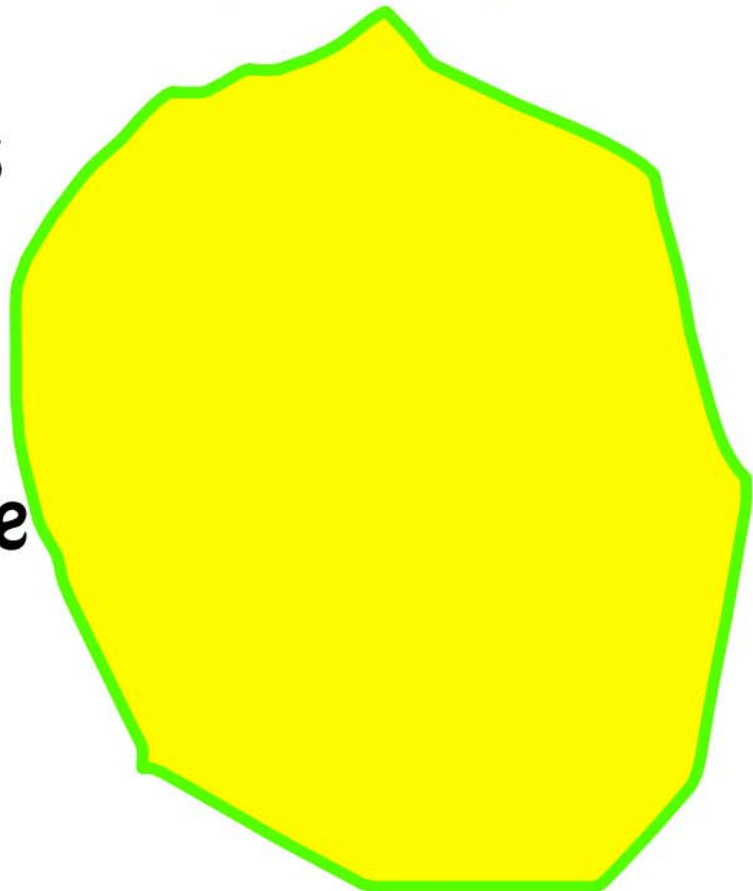

Words in Spelling Groups

This time, you have the rules, but the words are not sorted. Sort the words on you whiteboard. If you finish, think of more words that can go into the groups.

London's
Harry's how's
cat's
that's
don't should've
haven't
we'll friend's
children's

Apostrophes for contraction
(omitted letters)

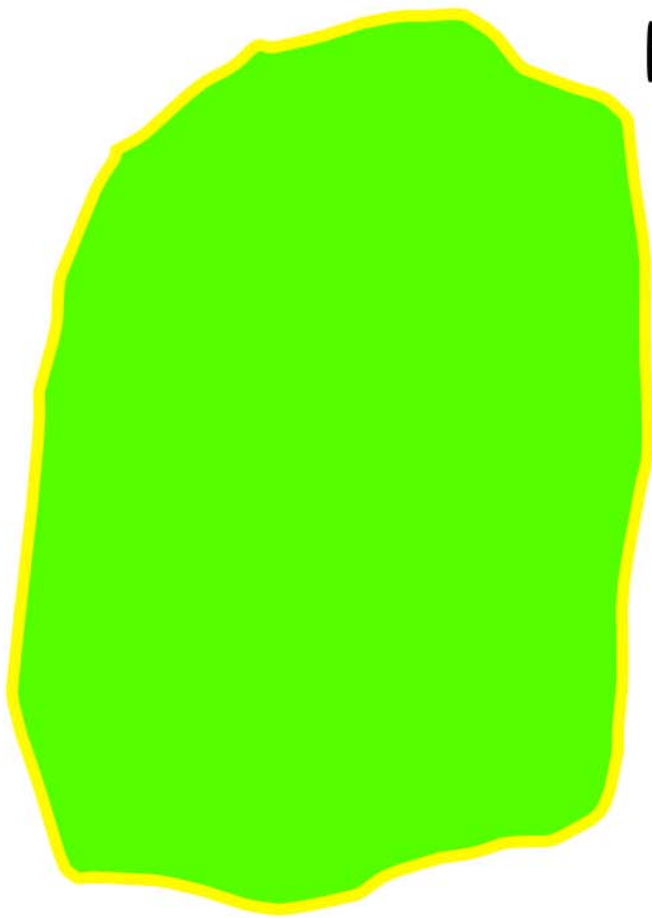

Apostrophes for possession
(owning something)

Could some go in both groups?

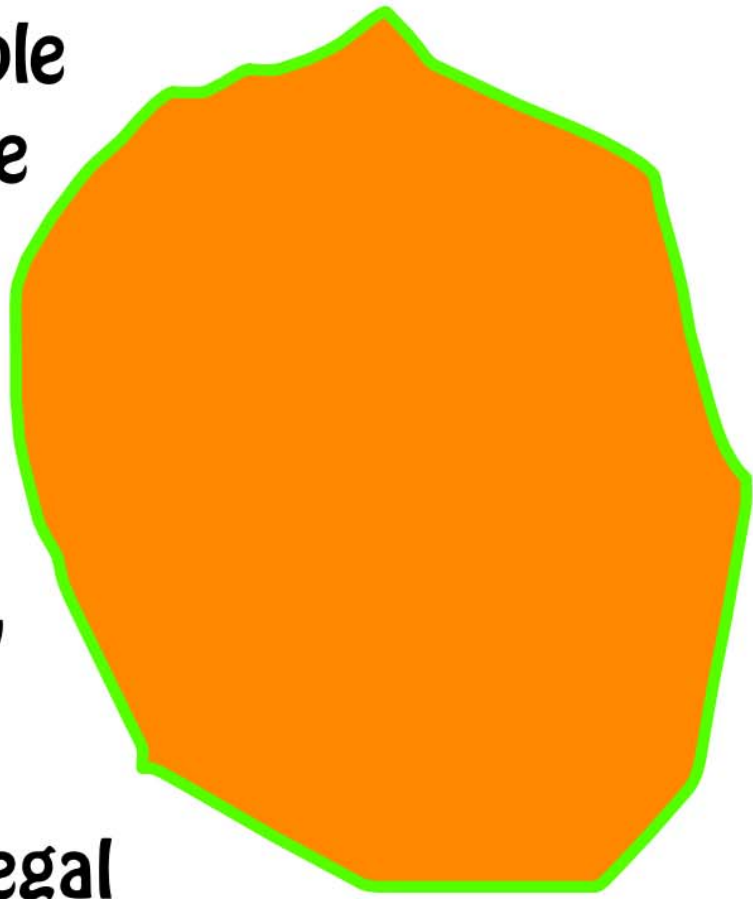

Words in Spelling Groups

This time decide on rules for groups yourselves, then sort the words. If you finish, think of more words that can go into the groups.

behave impossible
agree visible
invisible react
untidy
act disagree
misbehave tidy
prehistory illegal

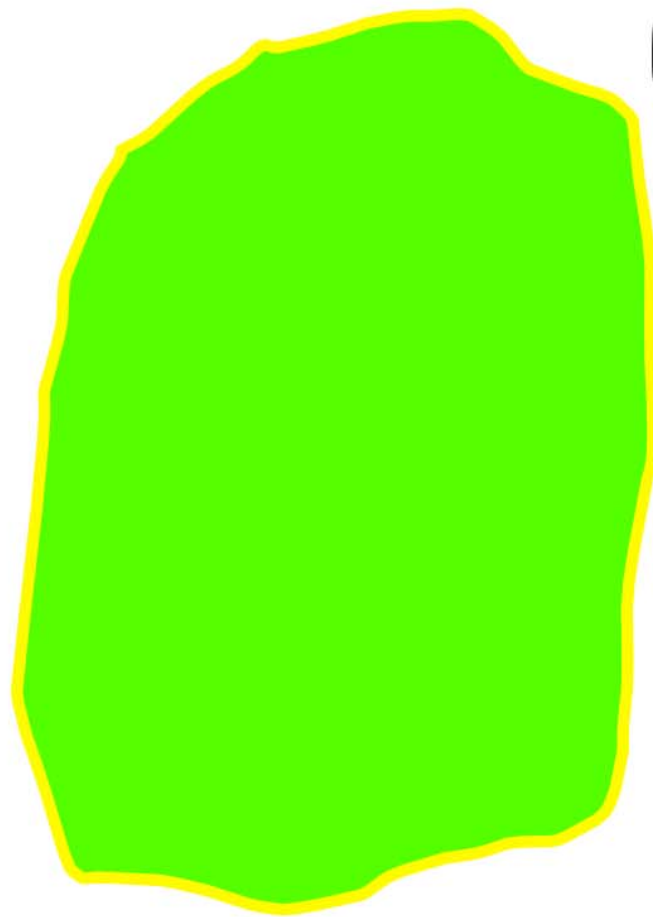

Suggested groups (reveal after activity)

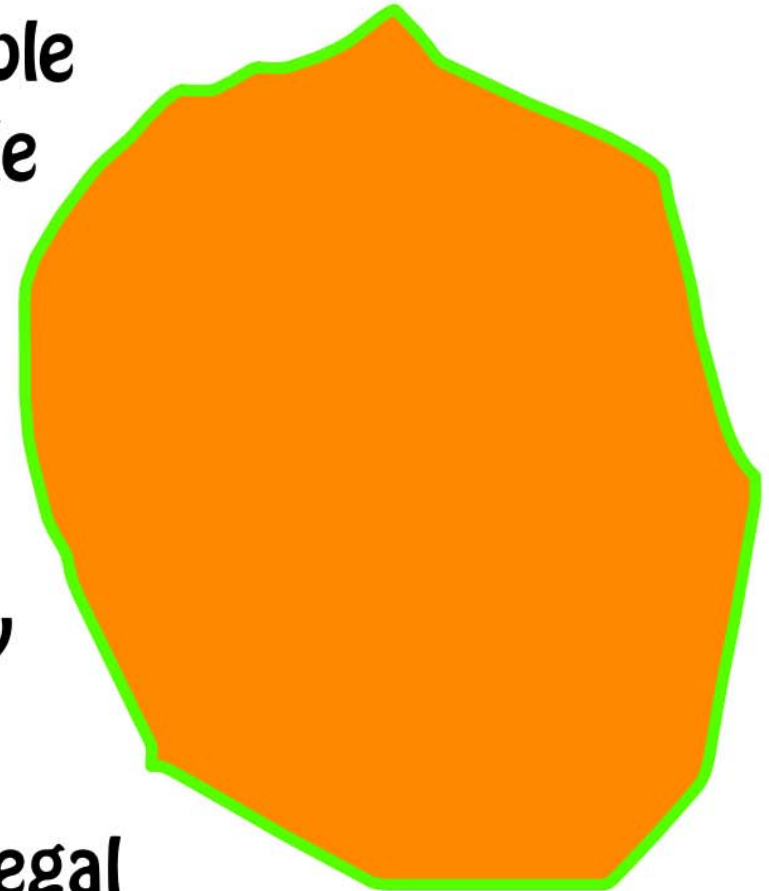

Words in Spelling Groups

This time decide on rules for groups yourselves, then sort the words. If you finish, think of more words that can go into the groups.

behave impossible
agree visible
invisible react
untidy
act disagree
misbehave tidy
prehistory illegal

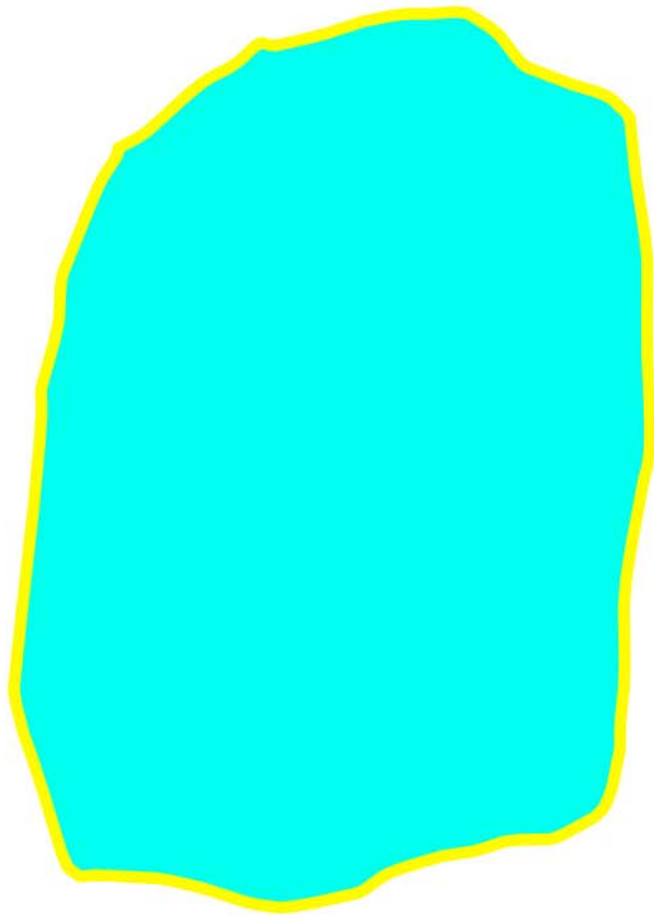

Probably the best groups would be words with prefixes, and words without.

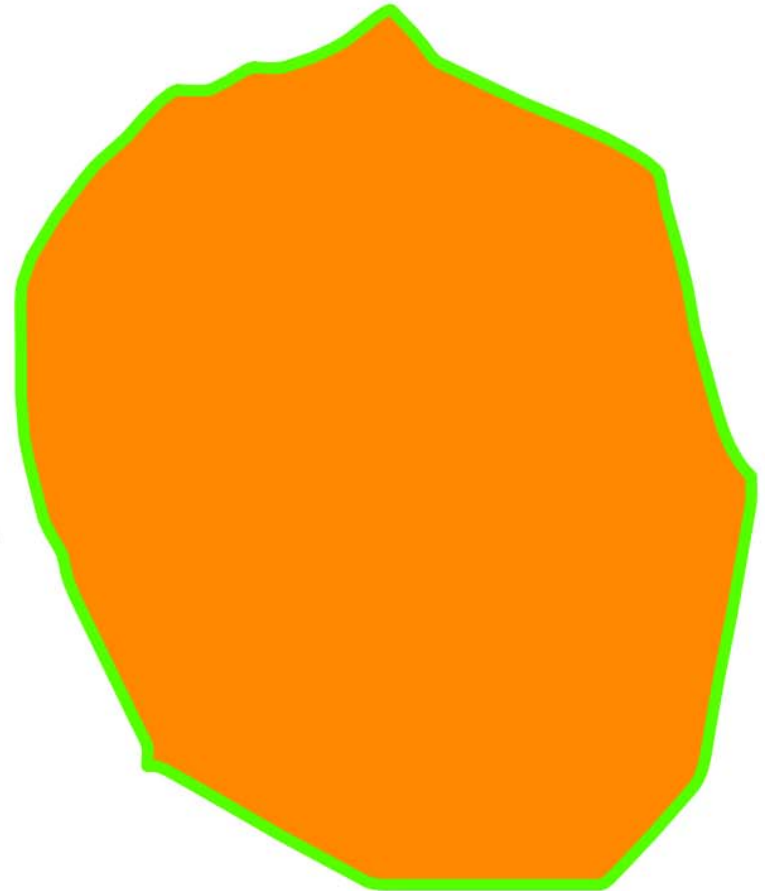

Words in Spelling Groups

This time decide on rules for groups yourselves, then sort the words. If you finish, think of more words that can go into the groups.

vicious
precious
cautious
delicious
ambitious
SUSPICIOUS
fictitious
